

s employer when the clinician meets the learning outcomes for clinical education as outlined by the International Association of Forensic Nurses SANE Education Guidelines.

The clinical logs on the following pages *are intended only as a guide* and serve as a tool for nurses to track their progress as they work toward clinical competence.

Activities and experiences that may be beneficial to the clinician working toward clinical competence may include:

Mock or simulated Sexual Assault Examinations

Observation and/or shadow experiences such as felony or sexual assault trial, crime lab, law enforcement, forensic interview, child advocacy centers or Department of Child Services

Peer review, ongoing education, supervision, mentoring, quality assurance and quality improvement processes

Please note: these activities and experiences are merely recommendations; they are NOT requirements.

For more information about clinical competency, please visit forensicnurses.org.

This log is intended only as a guide and record-keeping tool for the trainee. It is not required documentation.

			Name	Contact Information

Competence	Satisfactory Performance (initial/date)	Unsatisfactory Performance (initial/date)	Notes
d. Speculum assessment of the vagina and cervix in the adolescent			
11. Demonstrating the proper collection of specimens for testing for sexually transmitted disease			
12. Explaining the rationale for specific STI tests and collection techniques			
13. Demonstrating proper collection of evidence (dependent on local practice and indications by history) including:			
a. Buccal swabs			
b. Oral swabs			

Competence
